

L350i ELITE

PROline

1.75 acres

Attractive design and high technology

The L350i Elite can manage lawns up to 1.75 acres and work for seven consecutive hours, while maintaining high mowing performance. The touchscreen display makes programming simple and intuitive. The standard ZCS Connect module ensures safety and ease of use also thanks to its compatibility with the most voice assistants (SMART ASSISTANT).

15 Ah lithium-ion

7:00h Continuous cutting*

9h Robot free lawn

High efficiency brushless motors

Powerful lithium-ion batteries

Manage up to 8 separate areas

Flex rear wheel For excellent grip on all types of terrain, even on wet surfaces

Slopes up to 24°

SDM Cutting System (Satellite Dynamic Memory) The satellite navigation system, based on advanced algorithms, allows the robot to recognize mowed areas. The robot then creates virtual maps and remembers the working times used for each area, thus ensuring time saving and greater efficiency.

Touchscreen Display

Rain sensor

Flex rubber wheel

Toothed rear wheel
(Optional)

New charging station

*The work cycles vary in relation to the amplitude and to the characteristics of the area.
